LIMITED REVIEW REPORT ON UNAUDITED STANDALONE FINANCIAL RESULTS FOR THE QUARTER ENDED 30TH JUNE, 2022

To,
THE BOARD OF DIRECTORS
EMMSONS INTERNATIONAL LIMITED

Qualified Opinion

We have reviewed the accompanying statement of Standalone Unaudited Financial Results ("the Statement") of **Emmsons International Limited** ("the Company") for the quarter ended 30th June 2022. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditors of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that caused us to believe that the accompanying statement of standalone unaudited financial results, prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information

required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 (as amended) including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis Qualified Opinion

As stated in:

Material Uncertainty Related To Going Concern

We draw attention to the accompanying Statement which in indicated that the Company has incurred a net loss of Rs, 4351.54Lacs during the quarter ended 30June 2022, and as of that date, the Company's accumulated losses amounting to Rs. 202870.82Lacs which have resulted in substantial erosion of net worth of the Company and the current liabilities have exceeded its current assets as at 30June 2022. We further draw attention that the Company has continued to default in repayment of principal and interest in respect of its borrowings. The above factors, on the operations of the company, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our conclusion is modified in respect of this matter.
