# Basis Qualified Opinion

#### Material Uncertainty Related To Going Concern

"We draw attention of the accompanying Statement which in indicated that the Company has incurred a net loss of Rs, 3663.63 lacs during the quarter ended 31 March 2021 and net loss for the year ended 31 March 2021 of Rs. 14825.39 lacs and as of that date, the Company's accumulated losses amounts to Rs.183697.65 lacs which have resulted in substantial erosion of net worth of the Company and the current liabilities have exceeded its current assets as at 31, March 2021. We further draw attention that the Company has continued to default in repayment of principal and interest in respect of its borrowings. The above factors, together with uncertainties relating to the impact of the ongoing COVID-19 pandemic on the operations of the company, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.."

Our conclusion is modified in respect of this matter

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended (the "Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. - 5. Non-Current Investments of Rs 882.02 lacs includes investments made in unquoted Equity shares and share application money in its loss making foreign subsidiary companies. The impact thereof on value of investments is unascertainable.

Our opinion is not modified in respect of this matter.

## Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional in skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of
  expressing an opinion on the effectiveness of the company's internal control.

CHARTERED

- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists. We are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, Future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
